

**SOUTH CAROLINA PUBLIC SERVICE COMMISSION**

**HEARING EXAMINER DIRECTIVE**

**DOCKET NO. [2014-233-E](#)**

**JUNE 17, 2014**

Josh Minges  
Hearing Examiner

**DOCKET DESCRIPTION:**

Richard Cave, Complainant/Petitioner v. South Carolina Electric & Gas Company, Defendant/Respondent

**MATTER UNDER CONSIDERATION:**

SCE&G Motion to be Dismissed as Defendant, Petition to Intervene, and Request to Extend Pre-filed Testimony Deadlines.

**HEARING EXAMINER ACTION:**

SCE&G's Motion to be Dismissed as the Respondent in this matter is granted. As the Motion states, a plain reading of the Complaint reveals no allegation of wrong doing against the Company. Instead, the Complaint asserts that the KOA Campground, located at 3157 Highway 17 North, Mt. Pleasant, South Carolina, has been unlawfully reselling electricity provided by SCE&G. Therefore, SCE&G should be dismissed as the respondent and the KOA Campground should be substituted as the respondent.

SCE&G's Petition to Intervene is also granted. SCE&G has a direct and material interest in the outcome of this proceeding, since it is a utility subject to the Public Service Commission's jurisdiction, and the KOA is its customer.

Next, although SCE&G simply requests tolling the deadlines for pre-filing testimony, this matter is held in abeyance until further notice so that KOA can be properly served as the respondent, and the Commission can issue a new Scheduling Notice.

Last, similar complaints have been filed against KOA in Docket Nos. 2014-231-E, 2014-232-E, and 2014-234-E. These Dockets are consolidated for hearing purposes.

In Summary, IT IS THEREFORE ORDERED:

1. SCE&G is dismissed as the Respondent to this Complaint;
2. KOA, located at 3157 Highway 17 North, Mt. Pleasant, South Carolina, is substituted as the Respondent in this matter.
3. SCE&G's Motion to Intervene is granted.
4. This Complaint is held in abeyance until further notice.
5. This Complaint is consolidated for hearing purposes with the similar complaints assigned to Docket Nos. 2014-231-E, 2014-232-E, and 2014-234-E.
